

STRATEGY TO TRANSFER WAIVER SERVICE DEFINITIONS TO CMS CORE SERVICE DEFINITIONS

Current Definition	Waiver	Participant-Directed Option	Need to Unbundle	Proposed Core Service Definition	Clarifications/Action Items
Day Hab-Adult	Day/ Comp	No	No	Day Hab	Create separate definition for non-medical transportation
Day Hab-Child	Kids	No	No	Day Hab	Create separate definition for non-medical transportation
Habilitative Child Care	Kids	Yes	Yes	A bit similar to Adult Companion Services but for kids	<p>CMS questions re this service:</p> <ol style="list-style-type: none"> 1. Please specify how these services are an extension of rather than a duplication of those provided by a habilitation services provider. 2. Please describe in the service definition how this service is habilitative in nature and not typical of child care provided to a child without a disability. 3. Please describe the expertise the provider must have to care for the habilitative needs of the child. 4. Please describe in the service definition how the service provided is medical in nature and is not typical of childcare that would be provided to a child without a disability.
Homemaker	Kids	Yes	Yes	<ol style="list-style-type: none"> 1. Homemaker 2. Chore 	Current service definition most closely matches Homemaker. CMS definitions are more restrictive than Kids waiver.
Workstation Hab Services	Day/ Comp/ Kids	No	Yes	<ol style="list-style-type: none"> 1. Pre-Voc 2. Day Hab 3. Supported Employment-Small Group 	

STRATEGY TO TRANSFER WAIVER SERVICE DEFINITIONS TO CMS CORE SERVICE DEFINITIONS

Current Definition	Waiver	Participant-Directed Option	Need to Unbundle	Proposed Core Service Definition	Clarifications/Action Items
Vocational Planning Habilitation	Day/ Comp/ Kids	No	Yes	1. Pre-Voc 2. Career Planning 3. Supported Employment-Small Group	CMS: Bundling of day and residential habilitation, which also include different levels of frequency for delivery of the services, e.g. continuous and intermittent.
Integrated Community Employment	Day/ Comp/ Kids	No	Yes	1. Supported Employment-Individual 2. Non-Medical Transportation	
Supported Integrated Employment	Day	No	No	1. Supported Employment-Individual 2. Non-Med Transportation	SIE was proposed to fill an identified gap. SIE has on-going on-site supervision whereas ICE allows for provider staff to back out.
Group Home Res Hab	Comp/ Kids	No	No	Res Hab	
Extended Family Home Residential Habilitation	Comp/ Kids	Yes	No	1. Adult Foster Care 2. Comparable definition for kids foster care	
In-home Residential Habilitation	Comp/ Kids	No	No	Residential habilitation	
Companion Home Residential Habilitation	Comp/ Kids	Yes (Comp only)	No	1. Live-in Caregiver 2. Residential Habilitation.	Data indicates that most live alone and don't have a live-in caregiver. The service allows a live-in caregiver but utilization is very minimal. Need to unbundle continuous and intermittent.
Respite	Day/ Comp/ Kids	Yes	No	Respite Care	

STRATEGY TO TRANSFER WAIVER SERVICE DEFINITIONS TO CMS CORE SERVICE DEFINITIONS

Current Definition	Waiver	Participant-Directed Option	Need to Unbundle	Proposed Core Service Definition	Clarifications/Action Items
Retirement	Day/ Comp	Yes	Yes	1. Res Hab Day Hab	What other services (e.g., on State Plan and other waiver(s)) are available to retirees with DD? No one is using this service.
Home Modifications	Day/ Comp/ Kids	No	No	Home Accessibility Adaptations	Do we have a system in place if someone needs more than \$5k? Utilization? Dept. of Ed Assistive Technology Partnership provides funding coordination and additional funds – very limited.
Community Living and Day Supports	Day/ Comp/ Kids	Yes (only participant-directed)	Yes	1. Individual Goods and Services 2. Supported Employment-Individual 3. Homemaker 4. Personal Care (State Plan)	
Assistive Technology Supports	Day/ Comp	No	No	Assistive Technology	Do we have a system in place if someone needs more than \$5k? Utilization? Dept. of Ed Assistive Technology Partnership provides funding coordination and additional funds – very limited.
Personal Emergency Response System (PERS)	Day/ Comp	No	No	Personal Emergency Response System (PERS)	
Vehicle Modifications	Day/ Comp	No	No	Vehicle Modifications	Do we have a system in place if someone needs more than \$5k? Utilization? Dept. of Ed Assistive Technology Partnership

STRATEGY TO TRANSFER WAIVER SERVICE DEFINITIONS TO CMS CORE SERVICE DEFINITIONS

Current Definition	Waiver	Participant-Directed Option	Need to Unbundle	Proposed Core Service Definition	Clarifications/Action Items
					provides funding coordination and additional funds – very limited.
Medical Risk Services	Day/ Comp/ Kids	No	Yes	1. Res hab 2. Day hab 3. Personal care 4. Nursing	
Behavioral Risk Services	Day/ Comp/ Kids	No	Yes	1. Res Hab/Day Hab/ non-medical transportation (maybe). 2. What about the clinical services people get through behavioral health? Any applicability for those as we unbundle? Unbundling would possibly shift cost to Behavioral Health. 3. Consultative Clinical and Therapeutic Services	Includes residential habilitation (teaching and supporting) services, day habilitation (teaching and supporting) services, transportation, intensive behavioral supports, ongoing safety supervision, and ongoing clinical supports
Team Behavioral Consultation	Day/ Comp/ Kids	No	Yes	Consultative Clinical and Therapeutic Services	Definition includes psych, MSW, nurse and other behavioral specialists

Notes: Get final draft service definitions to Navigant no later than mid-April
